SMILEY.COM

Smiley London originated from the iconic image that belonged to the acid house music scene in the 1980s. From London to Chicago, almost every raver was seen styling Smiley on their Saturday night outs with friends. Now, over 25 years later, Smiley is still going strong and is still very much associated with the house music scene. House and dance music has erupted back into the music scene of the young generation today.

Smiley London have recently launched their *SS14* collection which features camouflage, tie-dye, animal and Hawaiian prints aswell as a modern and new summer colour palette of bright reds, blues and greens.

Smiley London can be found at the funky, new shopping establishment; *BoxPark, Shoreditch*. Products are displayed using corrugated metal walls and clothes rails and inside bespoke speaker cabinets. Resident DJ Jorge is always on the sideline spinning the best beats to ensure your Smiley experience is a traditional one.

The store itself only sells *exclusive limited edition* Smiley London merchandise. Alternatively, it is also available on **www.smiley.com**.

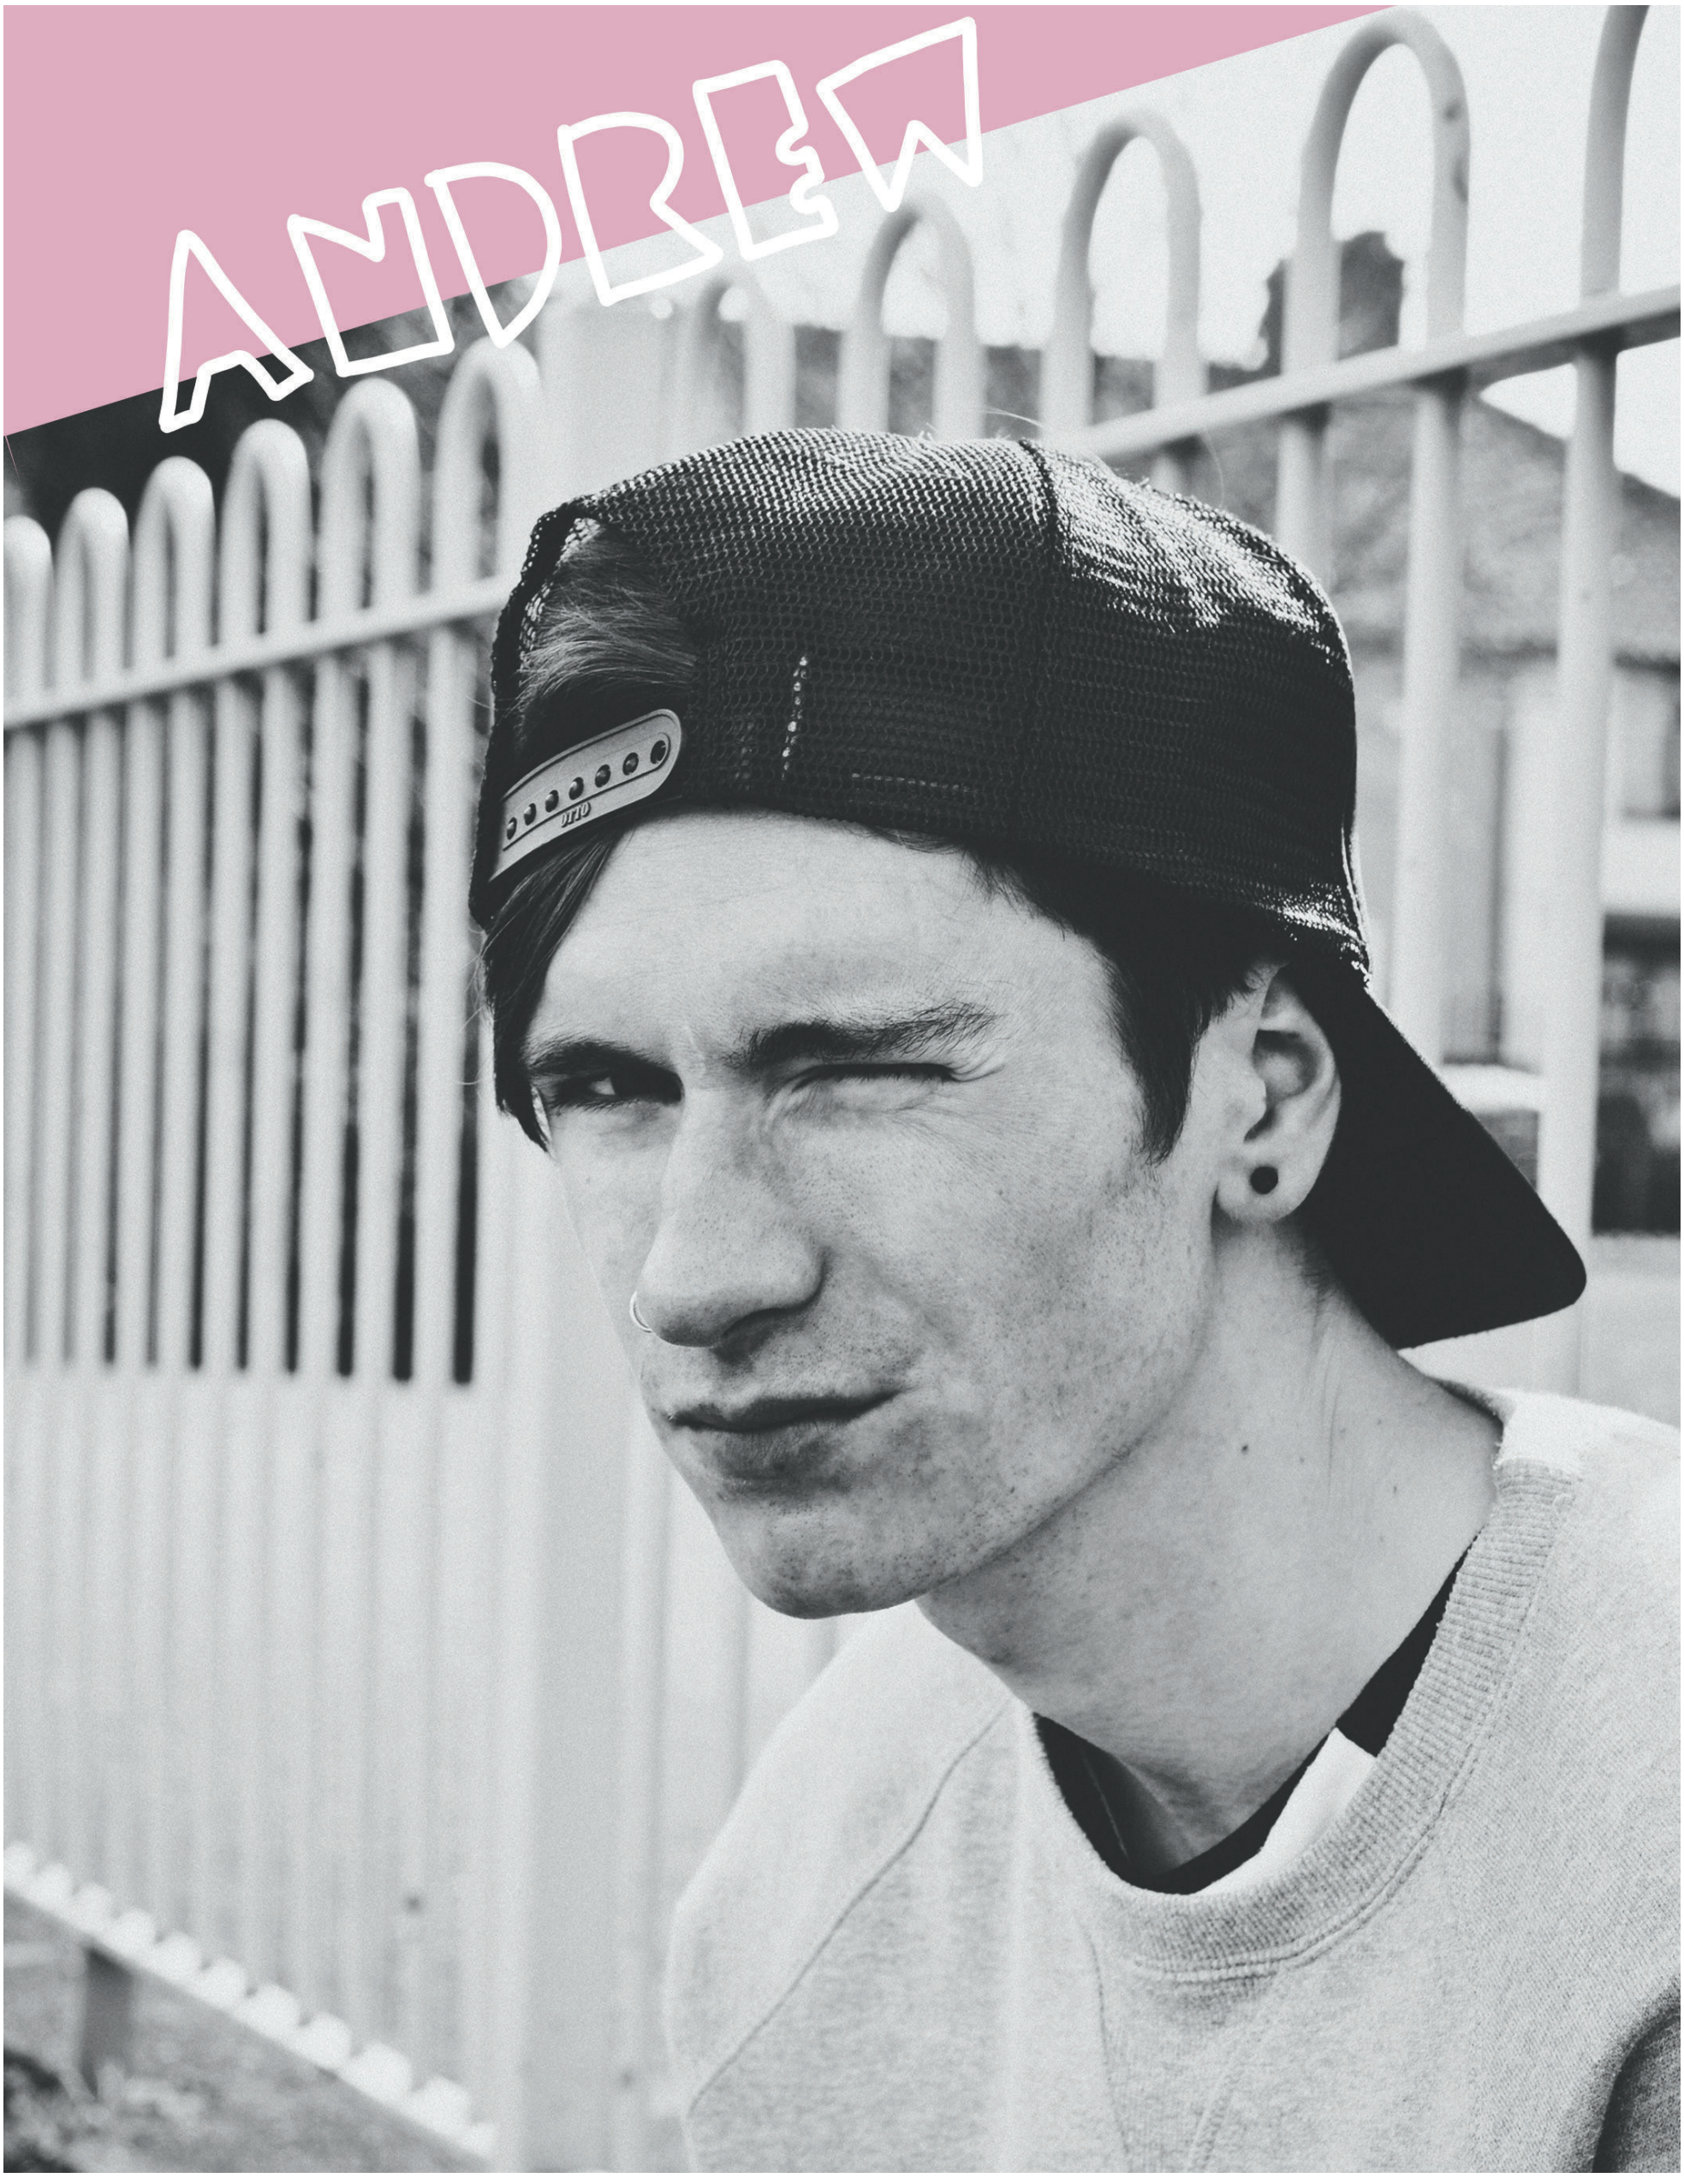
ANDREW



5 MINUTES ON THE HOTSEAT...

1) DESCRIBE YOUR PERSONAL STYLE...

OVERALL, I THINK MY STYLE IS QUITE MIXED, IT'S MAINLY 'ALTERNATIVE' AND URBAN BASED. I LIKE BAND/CHARACTER T-SHIRTS NORMALLY BUT I LIKE TO THROW IN THE ODD ZANY SHIRT OR PAIR OF PINK JEANS TOO!

2) ANYTHING IN FASHION YOU'RE CURRENTLY OBSESSING OVER?

MY CURRENT OBSESSION IS QUITE *ODD* - BACK PRINTED TSHIRTS! I LOVE THE IDEA THAT PEOPLE CAN BE LOOKING AT WHAT YOU'RE WEARING FROM FRONT TO BACK!

3) WHAT'S YOUR WORST HABIT?

ERM, PLAYING WITH MY NOSE RING.

4) WHO WOULD PLAY YOU IN THE FILM ABOUT YOUR LIFE?

I'D LIKE TO THINK ANDREW GARFIELD. HE'S SEEMS LIKE AN AWESOME GUY, AND A LITTLE *WEIRD* TOO, SO HE TICKS THE MAIN BOXES!

5) WHAT'S THE WORST PRESENT YOU'VE EVER RECEIVED?

FAKE BATMAN CUFFLINKS - I DON'T EVEN WEAR CUFF LINKED SHIRTS, AND THE ONES I GOT WERE *FAKE* !?
